AUDREY

And there's like this CB radio for when my phone doesn't work.

NORA

A CB radio? Who do you call? Long haul truckers?

AUDREY

No, really. It's very nice up here.

NORA

And by "nice," you mean "cold," right?

AUDREY

Stop it. You sound like Izzy.

NORA

Ah, the infamous best friend. Izzy. You do realize I need to meet her someday for as much as you talk about her.

AUDREY

Nora, you and I have only been in a room together twice.

NORA

All the best artists are introverts.

AUDREY

Right. My introversion is why we don't get together. Certainly not that you live across the country.

NORA

And behold, you move across the country and yet are still across the country from me. How's that work?

AUDREY

What can I say? I'm an introvert.

NORA

All I'm saying is that I want to have a drink with Izzy sometime.

Nora - F, 40+ - Professional, supportive, mentor

AUDREY

Yeah, I don't know. She's, well...sure. You'll need to meet someday.

NORA

Sometimes I'm not sure she really exists.

AUDREY

Oh, she exists. Trust me.

NORA

All your stuff made it up there?

AUDREY

I've been opening boxes all afternoon.

NORA

Audrey, it's ten here, so it's not afternoon anymore.

AUDREY

Really? It gets dark so early that I didn't even realize.

NORA

You haven't eaten yet?

AUDREY

I was waiting for Rett to get back.

NORA

Rett? You've been there less than a day and already made a friend?

AUDREY

What? No. Everett. He's the realtor who sold me the house.

NORA

And you're having dinner with him? Should I be concerned?

AUDREY

I'm not having dinner with him. I was just going to wait to eat until after he swung by to pick up his paperwork.

Nora - F, 40+ - Professional, supportive, mentor

NORA

Oh. And he didn't come back?

AUDREY

Not yet.

NORA

Did he say when he was coming back?

AUDREY

He just said "later."

NORA

I see. Not sure I like a man coming by at night when you're so isolated. Are you okay with it?

AUDREY

It's fine. He's a nice old man. Emphasis on the old. Also, he gave me a gun.

NORA

A gun?

AUDREY

For the bears.

NORA

And we're sure this move was a good idea?
